

APPRENTICESHIPS UNLOCKED

Unlock opportunities, skills and the future

Are you interested in recruiting an Apprentice or looking to promote your vacancies to a broader network?

ShIPLEY College is partnering with Bradford College, Keighley College, Bradford CTE Partnership/Skills House and West Yorkshire Consortium of Colleges to host a networking and recruitment event for employers across the Bradford district. This event offers you the chance to promote your apprenticeships to the next generation and share the career paths they can go onto.

We are welcoming companies from various sectors such as;

- ▲ IT & Digital
- ▲ Finance
- ▲ Public Services & Law
- ▲ Manufacturing & Engineering (including Rail)
- ▲ Health & Social Care
- ▲ Architecture & Construction
- ▲ Professional Services

and many more to promote your vacancies to school leavers, as well as anyone looking to start a new career with an Apprenticeship in Bradford.

All school and college leavers will be invited to the event, and there will be advertising across Bradford, so it's a great opportunity to reach potential new employees!

ShIPLEY, Bradford and Keighley College will be on-hand to share the range of courses on offer and how, as colleges, we can help with your apprenticeship programmes.

There will also be a wide range of support for employers through Collaborative Apprenticeships. Take advantage of additional free courses that your apprentice can do alongside their course such as Customer Service and Mental Health training, as well as Mentoring and Leadership courses for managers and mentors of apprentices. Come to the event to find out more and provide your new and current apprentices with a well-rounded skill set.
