

WYCC Green Skills

For Businesses: **The Green Skills Service**

Courses, events, inspiration and resources to help businesses become more sustainable.

www.thegreenskillsservice.co.uk

For Stakeholders: **The Green Consortium**

Colleges and partners working together to develop the region's green training offer, achieve Sustainable Development Goals and grow the skills and awareness within our own institutions.

For Partners **Green Investment**

Working together, WYCC will secure funding for projects that will equip colleges and partners with the capacity to deliver technical and green business skills in the region such as the Strategic Development Fund.
