

Ongoing Dynamic Purchasing System (DPS) Opportunities

Please find information regarding ongoing DPS opportunities below. New opportunities will be added regularly to the top of the document. Expired opportunities will be deleted.

Learning and Development Interventions Dynamic Purchasing Systems (DPS) for AGMA and its Associate Members

Trafford Council is prepared to receive applications to be included on a DPS relating to the provision of Learning and Development Interventions. The training requirements will cover all employees of the Members, including permanent, casual, temporary, agency, and also apprentices. It shall also cover requirements for schools and their governors etc. The Members are looking to appoint Suppliers who will work with them to deliver a highly customer focused, effective and efficient service whilst maximising the potential for knowledge, education and training.

Apprenticeships Dynamic Purchasing System - NHS North of England CPC

In order for the NHS to access providers of Apprenticeship Training, NHS North of England CPC is looking to open a process similar to that of a Dynamic Purchasing System (DPS) (see Regulation 34 of the Public Contract Regulations 2015), whilst considering that as a Schedule 3 service (Social and Other Specific Services) Contracting Authorities may award a contract following a call for competition, or make a direct award. This system will be managed by NHS North of England CPC (www.noecpc.nhs.uk) in terms of application and acceptance onto the DPS.

Apprenticeships Training Dynamic Marketplace

The Crown Commercial Service (CCS) is setting up a Dynamic Purchasing System (DPS) for a period of 48 months with the extension option of 24 months. Bidders can request to participate for this DPS for its 48 month duration including any extension periods. This DPS is being procured under the Light Touch Regime (LTR), and is subject to limited regulations, in accordance with Regulations 74-76 PCR2015. This DPS provides central government and wider public sector with the opportunity to procure services within the scope of the existing and new Apprenticeship Standards for England (SASE) live Frameworks, Apprenticeships Standards, End Point Assessments (EPAs); and related services via a number of Education and Skills Funding Agency (ESFA) registered suppliers on the Apprenticeship Training Providers (RoATP) Register and or the Register of EPA Organisations (RoEPAO). CCS reserve the right to reduce, extend or terminate the DPS period at any time during its life time; as set out in the terms of the DMP Agreement.

Estimated total contract value: £800m

Apprentice Training DPS

Barnsley Metropolitan Borough Council including all maintained schools in the Borough, in partnership with Berneslai Homes is looking to establish DPS for the provision of apprenticeship training programmes for a range of different workplace environments. The intention of the DPS is to support the requirements of both organisations to increase participation in workplace apprenticeships through training provision and sourcing for new recruits and the development of the existing workforce
