

Are you an apprentice

at a West Yorkshire College?

Fully funded courses to enrich your skills

You could be entitled to a fully funded, short course to top up your work skills.

The Collaborative Apprenticeships project offers a wide variety of training opportunities for current apprentices across colleges in the region.

The subjects on offer will develop additional skills and knowledge to help broaden your expertise and confidence. The courses are part-funded by the European Social Fund (ESF) which means they are free to eligible apprentices.

The short courses cover

- digital skills,
- climate change,
- mental health,
- customer service and
- personal resilience.

Search all courses for current apprentices on the West Yorkshire Consortium of Colleges courses website and complete an enquiry form to find out more. Please note all courses are subject to eligibility and availability of funding.
